TERRASSE	8,91

This is a detailed architectural floor plan of a building. The plan shows a complex arrangement of rooms, corridors, and service areas. A large rectangular area in the upper left is highlighted in orange. Other rooms are shaded in light purple or grey. The plan includes numerous small details such as doors, windows, and furniture like beds, desks, and chairs. A central staircase is visible, and the overall layout suggests a multi-story institutional or commercial building.
